

# THE TAKEOVER PANEL

## ASHBOURNE INVESTMENTS LIMITED

The Panel has been informed by solicitors acting for Crest International Limited and Corporate Guarantee Trust Limited that an injunction has been granted by a Judge in Chambers restraining the Panel, its servants and agents, from publishing a statement containing the Panel's ruling in the Ashbourne case. This statement was released by the Panel executive, through its press agents, to the news agencies and the newspapers before the Court order was made. The Panel has not seen the precise terms of the order, nor has the order yet been served on it.
